

# HORIZON 2020 EXCELLENCE IN THE EU

## PROJECT DEVELOPMENT AND PROPOSAL WRITING

*Focused on new Horizon 2020 opportunities*

**Training objective is to advance project initiatives** for 2018 – 2020 so you can make the most effective use of the EU programmes, particularly new H2020 funding opportunities. Transform yourself into a great proposal developer and multiply your personal income as well as the organizations/clients you are involved

**Training will change your paradigm about proposal writing -** You will come back to your organisations as masters for the H2020 RIA, IA, CSA, SME instrument and external service programmes with advanced skillset to tackle real-life challenges, generate high impact and ensure financial support for your initiatives.

**Trainers will focus on forecasted and open calls -** The program develops competencies and skills for initiating and implementing projects satisfying the highest quality criteria and understanding stakeholder issues ensuring high impact and sustainability. Practice the most advanced methodologies for the EU project management and leadership from project idea to follow-up.

**The experiential learning methodology** is designed to keep you in the growth zone after the training. This challenging programme is designed for professionals seeking excellence in the proposal writing H2020 calls. But it will offer effective strategies and tools to those who wish to take part as partners. As the previous results demonstrated H2020 is open for everyone.

**Dates and Locations: 23 – 24. September 2017 at EACON, Avenue des Arts 39, Brussels**

**Participation fee** for one day €260 and two days €460 - offers unmatched cost to quality ratio; the fee comprises of: training materials and project models, snacks, refreshments, and access to the ETA data bases. For early registrations, group registrations and non-profits, reductions from upto 20% are available.

You may request more information at [info@eutraining.info](mailto:info@eutraining.info) or at the European Training Academy website and the European Commission website.
