

EXCELLENCE IN THE EU PROJECT DEVELOPMENT AND PROPOSAL WRITING

Focused on the SME Instrument

In partnership with

Training objective is to refine project initiatives for 2018 – 2020 SMEs can make the most effective use of the EU and H2020 funding opportunities. Transform yourself into a great proposal developer and multiply your personal income as well as the organizations/clients you are involved

Training will change your paradigm about proposal writing -

You will come back to your organisations as masters for the H2020 SME instrument and IPA2 programmes with advanced skillset to tackle real-life challenges, generate high impact and ensure financial support for your initiatives.

Trainers will focus on open calls - The program develops competencies and skills for initiating and implementing projects satisfying the highest quality criteria and understanding stakeholder issues ensuring high impact and sustainability. Practice the most advanced methodologies for the EU project management and leadership from project idea to follow-up.

The experiential learning methodology is designed to keep you in the growth zone after the training. This challenging programme is designed for professionals seeking excellence in the proposal writing for SME Instrument. But it will offer effective strategies and tools to those who wish to take part as partners in H2020 or IPA2. As the previous results demonstrated SMEs can use H2020 funding opportunities more effectively.

Dates and Locations are available in ETA Calendar: 17 – 18. November, Vinarija Milovic, Montenegro

Participation fee for one day €220 and two days €300 - offers unmatched cost to quality ratio; the fee comprises of: training materials and project models, snacks, refreshments, and access to the ETA data bases.
